

## New Product Announcement

# | Skyworks Introduces Front-end Module for Smart Energy and IoT Applications

## SKY66115-11

Skyworks has introduced a highly integrated 470 to 510 MHz front-end module (FEM) that is ideal for smart energy, smart metering (electric, gas, water, heat), security, RFID, industrial and other Internet of Things (IoT) applications. The SKY66115-11 FEM operates over a wide variety of supply voltages at low power consumption, and comes in a small 4 x 4 x 0.9 mm, 16-pin multichip module solution. Its extended range more than doubles when compared to a standalone system-on-chip solution.

## Reference Design

To enhance the range and RF performance for solutions addressing the Internet of Things applications, Texas Instruments and Skyworks partnered to create an innovative product. The combination of the SKY66115-11 with TI's CC1310 wireless MCU addresses customers' needs for long-range, low-power and cost-effective solutions. ## New Product Announcement

### Sales and Technical Support

Pricing depends on quantities. Please contact a sales representative at [sales@skyworksinc.com](mailto:sales@skyworksinc.com) or visit the company's website at [www.skyworksinc.com](http://www.skyworksinc.com) for more information.

### New Products

New products are continually being introduced at Skyworks. For the latest information, please visit the new products section of our website at [www.skyworksinc.com](http://www.skyworksinc.com).

### About Skyworks

Skyworks Solutions, Inc. is empowering the wireless networking revolution. Our highly innovative analog semiconductors are connecting people, places and things spanning a number of new and previously unimagined applications within the automotive, broadband, cellular infrastructure, connected home, industrial, medical, military, smartphone, tablet and wearable markets. Skyworks is a global company with engineering, marketing, operations, sales and support facilities located throughout Asia, Europe and North America and is a member of the S&P 500® and Nasdaq-100® market indices (NASDAQ: SWKS). For more information, please visit Skyworks' website at: [www.skyworksinc.com](http://www.skyworksinc.com).
